## Invitation

It gives us immense pleasure in extending a warm and cordial invitation to you on behalf of the Indian Association of Veterinary Microbiologists, Immunologists and Specialists in Infectious Diseases (IAVMI) and Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir, Shalimar, Srinagar, Kashmir, to participate in XXXVII Annual Convention and National Conference on **"Strengthening Animal Health vis-a-vis Human Health for Addressing Challenges in 21<sup>st</sup> Century"** being jointly organized by IAVMI and the Division of Veterinary Microbiology & Immunology, Faculty of Veterinary Science & Animal Husbandry, SKUAST Kashmir, Shuhama, Srinagar on June 19-20, 2025.

## About The Theme

The National Conference intends to bring together health specialists, microbiologists, biotechnologists, academicians, scientists, professionals and entrepreneurs to a common platform for scientific deliberations and interactions. The conference will address the challenging one health issues related to antimicrobial drug resistance, emerging, reemerging and existing diseases, pandemic preparedness, latest development of diagnostics and vaccines. In addition, the conference will encompass the immunoprophylaxis, immunodiagnostics and biotechnological interventions for enhancing animal health and production. We, on behalf of the organizing committee of the IAVMI-2025 extend a cordial invitation to all the academicians, scientists, veterinarians, public health professionals, research scholars, students, livestock entrepreneurs, environmentalists, policy makers and other stakeholders in the area of immunology and biotechnology from different parts of the country to participate in the Conference at Srinagar, Kashmir.

## The Host Institute

The SKUAST-Kashmir is one of the leading farm universities in India that caters to North-Western Himalayan hill and mountain agriculture. Since its inception, it has been a consistent endeavor to help farmers in achieving the food and nutritional security imperatives and fulfill the aspirations of various stakeholders. The broader objectives of creating a competent human resource and providing technical backup and outreach have shaped the activity landscape and are consistently striving to work for improving the overall quality of life encompassing food, nutritional and economic security as well as work towards a broader objective of improved one health (plants, animals, humans, soil and environment). The achievements have resulted in tangible overall economic benefits to the region at large and UT of J&K has emerged as the top performer in farm income and farmer prosperity despite going through unwelcome situations. SKUAST-K is realigning its research priorities in line with farmers' production constraints and livelihood opportunities to create viable and profitable farming systems in this UT. The consistent efforts to better its performance in terms of academic and scholarly output have helped it to emerge 4<sup>th</sup> best State Agricultural University in India by National Institutional Ranking Framework - 2023.

## The Society

Indian Association of Veterinary Microbiologists, Immunologists and Specialists in Infectious Diseases (IAVMI) was founded on 7<sup>th</sup> June, 1978 during the 1<sup>st</sup> National Symposium on "Impact of Infection and Immunity on Animal Production & Health" to encompass all the disciplines of Animal Health. Currently, the association has more than 1100 life members in India and abroad.

## Venue and Location

The historical city Srinagar is situated on the bank of river Jhelum. Srinagar, the summer capital of J&K, UT is well connected by Air and Road to rest of the Country. The rail connectivity from Kashmir to Kanya kumari is expected to start by 26<sup>th</sup> Jan. 2025. Shalimar Campus of the University is situated at 18 Kms from City Centre (Lal chowk) towards North East and 32 Km from Airport. Prepaid taxis and Roadways buses are available at Airport for different parts of City and City Centre. Regular Public Transport (Mini buses and Tata Sumos) Ply between Lal chowk and Shalimar. The Shuhama campus is half hour drive from the main campus.
