Circular

In continuation to our earlier circular dated 14.05.2025 regarding the postponement of the IAVMI Conference originally scheduled for 19–20 June, 2025 at SKUAST Kashmir, Srinagar, we regret to inform you that after careful consideration of the evolving socio-political challenges, it is decided to cancel the IAVMICON 2025 event.

This decision is made in consultation with all relevant stakeholders, with due concern for the convenience, safety and commitments of our participants, speakers, sponsors and institutional partners. We understand the anticipation around the event and deeply regret any inconvenience this cancellation may cause.

All registrations already made for the conference will be refunded in full. A detailed communication regarding the refund process will be shared with registered participants shortly by the organising committee.

We remain committed to our scientific community and will continue to explore alternative future events to facilitate academic and professional exchange.

We sincerely thank you for your understanding and continued support.

Dr Premanshu Dandapat
General Secretary, IAVMI
